SitRep: Viet Nam

Her anger was matched only by her mocking and she laughed and jeered at him as she told him that no-one wanted to hear about his sissy complaints and that she could barely see straight as she read his account of that day and the turmoil that ensued as a result of being the son of a convicted drug dealer. It happened, late one afternoon, when David arose from his couch and was walking on the roof of the king's house, that he saw from the roof a woman bathing; and the woman was very beautiful.

A Nature Reflected: Philosophical Notes for My Children

Intangible Heritage. Whenever she did, the debacle of the roommate letters loomed, and made her feel sick to her stomach.

Flywheel: Transformational Leadership Coaching for Sustainable Change

A particular significance has been given for these events by the participation of the community, helping to raise the awareness amongst individuals and groups of people on the wonderful musical intangible heritage of the Mediterranean basin and particularly on the ancient folk Mediterranean music.

Riding with Ghosts (Eye Classics)

Inspired by the masters of Afrobeat, world music, as well as African tribal music which is evident in their lyrics and choruses that repeat and weave in and out of deep, hypnotic grooves infusing it with a transcendental quality. Contact and Social Networks Contact.

Weird Tales v22n04 October 1933 (Weird Tales Magazine Book 17)

I had no capital, no brand name, and I had to search for a way to differentiate from the other players. Some believe them to be an order or class of angels; others hold them to be a class of heavenly beings higher than angels.
