A note exists between two notes of music, between two facts exists a fact, between two grains of sand no matter how close together there exists an interval of space, a sense that exists between senses- in the interstices of primordial matter is the line of mystery, and fire that is the breathing of the world, and the continual breathing of the world is Fire of Freedom we Fire of Freedom and call silence. You have amazing plans for them, but right now they just need to feel your arms around .
