You are now crossing the water. I am persuaded that it is necessary to take a closer look at what is happening to our societies, analyse the anxieties of the people, their needs, and their preoccupations. Constantly panning from a few individuals and their stories to the chatter of the media and sudden chunks of crucial text, *Stand on Zanzibar* was a ground-breaking novel in which Brunner broke wide open the stylistic and narrative conventions of SF, and set the agenda for the next decades.
