Power System Monitoring and Control

The work which historical theology thought itself bound to carry out, and which fell to pieces just as it was nearing completion, was only the brick facing of the real immovable historical foundation which is independent of any historical confirmation or justification. The surprise was so complete, the awfulness of the manner in which they were visited was so overwhelming, that the ruffians did not know whether they were not called to their final account, and whether their assailants were not fiends from the flaming abyss.
