Sociologists distinguish between society and culture despite their close interconnectedness primarily for analytical purposes: It allows sociologists to think about societal development independent of culture and cultural change which are discussed in the next chapter in greater detail even though societal change and development are contingent upon culture. Chrysostom, bishop of Constantinople, who died and a writer of high rank in defence of christianity, who frequently quotes Josephus, could not have omitted it had it then been in the text. Anything. It is every inch the riveting second novel I had hoped. Also, Christians believe Mary was his mother, but Joseph was not the father; Jesus was conceived by the Holy Spirit, who would presumably have at His disposal the entire gene-pool.
