The Federal Reserve and Treasury, therefore, have turned toward quantitative monetary easing buying government securities and injecting more money into the economy and dealing directly with the toxic assets being held by banks. First Letter of John Know this first of all, that there is no prophecy of scripture that is a matter of personal interpretation, for no prophecy ever came through human will; but rather human beings moved by the holy Spirit spoke under the influence of God.

The Atwelle Confession

A hybrid poetry collection of love letters and hate mail addressed directly to pop culture icon Andy Warhol, this haunting little book plays a confrontational game of connect the dots that is supersaturated with the author's infamously caustic wit.
